# Shape Patterns

Look at the pattern. Draw what comes next.

|                                                                                     |                                                                                     |                                                                                     |                                                                                     |  |  |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--|--|
|    |    |    |    |  |  |
|    |    |    |    |  |  |
|   |   |   |   |  |  |
|  |  |  |  |  |  |
|  |  |  |  |  |  |

**Make your own pattern:**

|  |  |  |  |  |  |
|--|--|--|--|--|--|
|  |  |  |  |  |  |
|--|--|--|--|--|--|
